

## Scope and Sequence

Wushka's decodable library follows a meticulously structured sequence which systematically covers phonemic awareness, letter-sound combinations and spelling structures over the course of 7 phases.

Each of Wushka's 670 decodable readers has been written with a strictly controlled text, so that children are only exposed to those letter sounds that they have previously learned.

### Phase 1

Phonemic Awareness  
Speaking & Listening

Wordless Books

### Phase 2

Letter Sounds

s, a, t, p, i, n, m, d, g, o, c,
